

UHS Symphonic Band and Wind Ensemble

Concert Attire

Many area schools have purchased long black gowns for the women and tuxedos for the men. We have chosen to give students some liberty in their choice of clothing for their concerts. However, in order to maintain the appropriate decorum in the formal concerts, we ask that all members of the J-Hawk Bands follow these guidelines when choosing their concert attire.

Men:

- **Black dress shirt with collar and tie based in royal blue.**
- **Black dress pants** (suitable for a crease in front) **and black belt** (exclude cargo pants, denim, corduroy, etc.)
- **Black dress shoes with black socks** (suitable for polishing; exclude athletic shoes and socks, sandals, flip-flops, or other casual footwear)
- **Black suit or sport coat optional but recommended** (if wearing a suit, you may substitute a white dress shirt)

Wind Symphony & Wind Ensemble men are highly encouraged to accept the suit or sport coat option.

Women:

All options offered for the men are also acceptable for women

Or

- **Floor length black dress with sleeves or floor length black skirt with black blouse**
- **Optional accent accessories should be royal blue** (such as a scarf or head band)
- **Black dress shoes** (Color: flat black close-toed and flat heel with skin-toned hose. Exclude athletic shoes and socks, sandals, flip-flops, or other casual footwear)

Proper decorum for formal concerts is that no skin is showing from shoulders to the floor.
