## Lesson Policy

Urbandale High School band students are allowed to “vouch” out of the school lesson program under the following conditions:

- ✓ The lessons are on his/her “concert band” instrument. (Example: they cannot vouch out of lessons if they are a flute player taking piano lessons.)
- ✓ Student should hand in this voucher, signed by you, the private teacher, at least once a month. Blank vouchers can be obtained in the band office or from Mr. Peterson’s teacher webpage.
- ✓ We ask each student to have 1 lesson per quarter with a UHS band director. Students can showcase anything they are working on in private lessons.
- ✓ Lessons should be predominantly on a weekly basis.
