

## **HOW TO MAKE A BAND VIDEO**

- 1) **USE YOUR CHROMEBOOK.** This will save many compatibility problems.
- 2) Open the Camera app.:
  - a) Click the “Launcher” in the lower left corner.
  - b) Type “camera” in the search field.
  - c) Click the “Camera” icon.
- 3) Orient the Chromebook camera:
  - a) Your face and hands should be visible.
  - b) For memorization, the view should show there is no music in front of you.
- 4) Make your video:
  - a) Click “Video”.
  - b) Double-check to make sure the microphone is on.
  - c) The red button starts recording.
  - d) The white square stops recording.
- 5) Name your video:
  - a) Click the Gallery in the lower right corner.
  - b) At the top of the window, rename the video with your name and the assignment.
- 6) Upload your video:
  - a) Open your Google Drive.
  - b) Click “New” on the left.
  - c) Click “File Upload”.
  - d) Navigate to your video in My Files > Downloads.
  - e) Click “Open” in the lower right.
- 7) Share your video:
  - a) In your Google Drive, ALT-click your video.
  - b) Choose “Share”.
  - c) Share with the Band Director who teaches your lessons. (Private lesson students, share to any/all).
