- Adjudicators are required to wear masks at all times
- Students allowed to perform audition unmasked and without instrument bell covers
- Students are strongly encouraged to wear masks at all other times, and required to use bell covers when warming up in large communal areas that are densely populated
 - Exception: Per the NFHS/CBDNA Aerosol study results, bell covers are not needed for flute players.

If accepted:

You will receive the music for the concert at the end of the audition process. All music should be prepared in advance of the rehearsals.

Students who audition must be available for all rehearsals and the concert on January 8, 2022 in Ankeny, IA. The day will begin early in the morning and end with a concert at approx. 5:00 PM.
