## DR. ROSALIE DACCA

Urbandale Community School District Superintendent

Welcome to the 24th Annual Urbandale Marching Invitational! Many moons ago, I was part of my high school marching band. When I think of marching bands, the music of Old Man River still plays in my head almost 40 years later! Our band was filled with rich tradition that I believe helped mold me into who I am today. The dedication of the musicians, the color guard, the focus of the drum major and more all taught me commitment and collaboration. Amazing friendships came out of that experience. Many of those friends are still in touch today.

These students have put thousands of hours into their work. They are here to perform and compete as they share those talents with us. I am excited to see the fruits of their labor. We are proud of every one of them!

This event couldn't happen without the adults as well. The volunteers and directors have also spent a great deal of time working to create this stellar event. I want to especially say a big thank you to the Urbandale music staff for their leadership and commitment to our students and this event. Your hard work has not gone unnoticed! At the high school, a big thanks goes to: Louis Dupuis, Tommy Doggett and Dana Andrews. From the middle school, Daphne Monson and Nancy Schultz deserve a round of applause. Finally, another big thanks to Emily Wells at the elementary level. You are examples of what dedicated teachers look like!

Welcome to everyone. Let's sit back and enjoy this day showcasing our students.

Enjoy the show!

## TIM CARVER

Thank you for choosing be a part of the Urbandale Marching Invitational! Enjoy the beautiful surroundings of Frerichs Field as you take in some amazing performances.

## The Urbandale J-Hawk Marching Band

The 150-member Urbandale High School Band Department collectively performs at more than 30 local and regional events throughout the year, including parades, classical concerts, jazz concerts, contests, and chamber ensemble performances.

With 150 members, the J-Hawk Marching Band is the largest single performing group at Urbandale High School. The band performs at all varsity home football games, four regional festivals and is proud to host the 24th Annual Urbandale Marching Invitational. They also perform at the Urbandale Homecoming Parade and at the Urbandale Independence Day Parade.

Balancing a comprehensive approach to music with the additional goal of entertaining all J-Hawk fans, the band performs music that balances educational relevance with audience appeal.

Led by Field Commanders, Kaitlyn Molis, Cory Pair, and Din Terzic, the J-Hawk Marching Band's performance will feature mesmerizing music from a long-running Cirque du Soleil show - the circus-themed "La Nouba." Selections include

"Distorted," "Reve Rouge," "A La Lune," and "Urban." Get ready—the circus is coming to town! The band will amaze you with one of the greatest shows on Earth.

**Concert Bands** The Urbandale High School Instrumental Music Department offers three concert bands. The Wind Symphony, Wind Ensemble, and Symphonic Band are the central focus of the J-Hawk Band department. In these groups students delve deeply into the art and discipline of ensemble performance. These groups will perform three local concerts and at State Large Group Festival, where in the spring 2022, the Wind Symphony was awarded its 29th Division I rating in 30 years.

In the spring, the Wind Symphony performs an additional concert alongside Urbandale's 5th grade band.

**Jazz Bands** Three Urbandale Jazz Bands will perform at three local concerts and three regional contests. They will also host the Urbandale Jazz Summit - an educational workshop for students interested in jazz throughout the district. The Jazz Bands also perform at several community events such as elementary school assemblies and service club events.

# PERFORMING TO INSPIRE

The mission of the Urbandale J-Hawk Bands is driven by the principles of student ownership and a commitment to contribute to something bigger than oneself. Student ownership is promoted through increased leadership opportunities and training, educational choice, and growth-based learning goals.

We strive to study high quality literature and perform it with deep understanding of all its aesthetic qualities and complexities. Whether in marching band, concert band, jazz band, or chamber ensembles, the decision-making process remains focused on the inherent benefits music imparts on its students.

“Music education fosters creativity, teaches effective communication, provides basic tools for a critical assessment of the world around us, and encourages the abiding values of self-discipline and commitment. Music is, furthermore, an important means to self-discovery and self-expression. Therefore, instruction in music and other arts must be viewed as central to a complete education – not only by virtue of their intrinsic worth, but also because they are fundamental to what it means to be an educated person.”

The Report of the National Commission on Music Education. *Growing Up Complete: The Imperative for Music Education*. Virginia: Music Educators

The bands at Southeast Polk High School have a rich tradition of excellence. The SEP Marching Rams annually perform interesting and engaging shows and place among the top bands in local and regional competitions. Southeast Polk's three Concert Bands and three Jazz Bands are also recognized annually on the state level for their excellence. The SEP Wind Ensemble has performed at the Iowa Bandmasters Association Conference multiple times since 2008, and SEP's "Jazz One" has placed among the state's top jazz ensembles at the Iowa Jazz Championships for over a decade. The Southeast Polk communities of Runnells, Altoona, Mitchellville, and Pleasant Hill are exceedingly supportive and proud of the district's fine arts offerings.

The judges, as approved by the Iowa High School Music Association which is sanctioning the competition this evening, will award all the above points. Scoring will follow the IHSMA scoring system. Penalties for too much/too little time for a performance, field entrance and exit violations, and boundary violations will be noted on the score sheets provided to the directors but will not be figured in the scores for tonight's competition.

**A Note About Awards:** Some bands may be better than others, but all of the young people performing for you tonight have rehearsed many, many hours. Please be equally vocal with your positive support and appreciation for each musician and color guard performing this evening. Each band member is making a statement as to the importance of arts in education.
